---

### SUMMARY

---

An undergraduate student, traveler, and computer enthusiast who thrives in discovering the world of the Internet of Things, Machine Learning, and Cybersecurity Intelligence. Live by the quote "Do what you have to do, so you can do what you want to".

---

### SKILLS

---

**Front-End:** JavaScript, React, Redux, jQuery, HTML5, CSS3, Tailwind

**Back-End:** Ruby, Rails, MySQL, Express, Nodejs

**Tools & Methods:** Git, GitHub, Heroku, Netlify, Mobile/Responsive Development, Nodejs

**Professional:** Remote Pair-Programming, Teamwork, Mentoring, Active Listening

---

### EXPERIENCE

---

#### HIGHLIGHTED PERSONAL PROJECTS

##### **Full Stack Web Development Student & Mentor**

Remote

June 2018 – Present

Mastered intermediate and advanced topics in full-stack development (including Rails, Git, and DS&A challenges) while building multiple full-stack projects independently and via pair programming.

**Math Magic** — This is a simple web app that includes a calculator

- Built with: (HTML, CSS, REACT)

**Movie Web App** — This is a platform that showcases a list of movies

- Built with: (HTML, CSS, and JAVASCRIPT)

#### MICROVERSE

##### **Mentor (Volunteer)**

Remote

July 2022 – Present

- Suggest improvements to code organization to improve code quality and general optimization of HTML, Bootstrap, CSS3, React, and Redux code.
- Advise students about maintaining a steady learning experience through the front-end web development learning path, which includes an introduction to basic HTML to creating complex components with React.
- I have participated in different projects and assignments at Microverse.

---

### EDUCATION

---

Mekkele university of technology Sept 2016–July 2021

##### **B.Eng. Mechanical Engineering**

Microverse online school March 2022 – Present

##### **Remote Full Stack Web Development Program, Full Time**

- Spent 3-month learning and doing real-life projects which further helps me acquire the necessary skill to be a full-stack web developer.
- Developed skills in communicating and working as a team to finish projects fast and efficiently.
